7. Applicant's Terminal Disclaimer filed September 15, 2005 is accepted.

8. The present claim language, i.e. claims 1-32, define over the prior art of record as the prior art fails to set forth either alone or in combination the invention as claimed. As articulated from the parent case, i.e. US 6,687,681, claims 1-32 define over Wallman, the closest prior art of record. No further prior art anticipates or renders obvious these claims. Applicant's Terminal Disclaimer obviates the Double Patenting rejection from the previous office action.
